TO: University of Vermont Deans, Directors, and Department Chairpersons

FROM: Jay Jacobs, Vice Provost for Enrollment Management

DATE: May 17, 2021

SUBJECT: Appointment of Moses Murphy as Director of Admissions

I am pleased to announce that Moses Murphy has been appointed Director of Admissions at the University of Vermont.

As many of you know, Moses has been an integral part of the Admissions team beginning his work in Admissions seventeen years ago as a temporary employee. In that time, he has developed a deep knowledge of all things in Admissions having held positions in almost all areas of the organization, culminating in serving as interim director over the past two months. He has a history of being forward-thinking and strategic while collaborating with campus constituents to achieve the enrollment goals of the University. The Slate system, which he led the implementation for, has played a significant role in the success that the Admissions Office and the Division of Enrollment Management have seen in recent years as has his ability to build trusting relationships externally as he continues to build and represent UVM.

The Office of Undergraduate Admissions is responsible for the outreach, recruitment, admission, and enrollment of undergraduate first-year, transfer, and international students. The admissions office consists of fifty-two staff members and supports prospective students and parents by focusing on areas such as campus visits and events, territory management and admissions counseling, operations, data management, application review, technology, diversity and international admissions, alumni admissions, and marketing and communications.

Moses will assume his role immediately, on May 17, 2021. I hope you will join me in congratulating him on this new leadership position.
